DECISION AND DIRECTION OF ELECTION

Upon a petition duly filed under Section 9(c) of the National Labor Relations Act, as amended (Act), a hearing was held before a hearing officer of the National Labor Relations Board (Board). Pursuant to the provisions of Section 3(b) of the Act, the Board has delegated to the undersigned its authority in this proceeding.¹

I. DECISION

No issues were raised concerning a question concerning representation.

IT IS HEREBY ORDERED that an election be conducted under the direction of the Regional Director for Region 13 in the following appropriate bargaining unit:

Included: All full-time and regular part-time road service truck tire employees and shop tire technicians, including inside technicians, outside technicians, OTR technicians and route drivers, employed at 2450 Lunt Avenue, Elk Grove Village, Illinois 60007.

Excluded: All other employees, managers, office clerical employees and guards, professional employees and supervisors as defined in the Act.

There are approximately 13 eligible voters in the unit.

¹ Upon the entire record in this proceeding, I find:

- 1) The hearing officer's rulings made at the hearing are free from prejudicial error and are affirmed.
- 2) The Employer is engaged in commerce within the meaning of the Act and it will effectuate the purposes of the Act to assert jurisdiction.
- 3) The Petitioner is a labor organization within the meaning of Section 2(5) of the Act.
- 4) The Petitioner claims to represent the employees in the unit described in the Petition and the Employer declines to recognize the Petitioner.
- 5) A question affecting commerce exists concerning the representation of certain employees of the Employer within the meaning of Section 9(c)(1) and Section 2(6) and (7) of the Act.

II. CONCLUSION

Based on the foregoing and the entire record herein,² I find that it is appropriate to conduct an election in the unit set forth above.

III. DIRECTION OF ELECTION

The National Labor Relations Board will conduct a secret ballot election among the employees in the unit found appropriate above. Employees will vote whether or not they wish to be represented for purposes of collective bargaining by Local Lodge 701, International Association of Machinists & Aerospace Workers, AFL-CIO.

A. Election Details

I direct that the election be conducted by mail ballot. Since pursuant to the Board's Rules and Regulations, Section 102.66(g)(1), the type of election is not a litigable issue, my rationale for directing a mail ballot election is set forth in a separate letter.

The ballots will be mailed to employees employed in the appropriate collective-bargaining unit at 5:00 p.m. on **Wednesday, August 19, 2020**, from the National Labor Relations Board, Region 13, 219 S. Dearborn Street, Suite 808, Chicago, IL 60604. Voters must sign the outside of the envelope in which the ballot is returned. Any ballot received in an envelope that is not signed will be automatically void.

Those employees who believe that they are eligible to vote by mail and do not receive a ballot in the mail by August 26, 2020, should communicate immediately with the National Labor Relations Board by either calling the Region 13 Office at (312) 353-7570 or our national toll-free line at 1-844-762-NLRB (1-844-762-6572).

Ballots will be due on **Monday, September 14, 2020**. All ballots will be commingled and counted on **Wednesday, September 16, 2020** at 10:00 a.m. via videoconference. In order to be valid and counted, the returned ballots must be received in the Regional Office prior to the counting of the ballots.

B. Voting Eligibility

Eligible to vote are those in the unit who were employed during the weekly payroll period ending **August 9, 2020**, including employees who did not work during that period because they were ill, on vacation, or temporarily laid off.

Employees engaged in an economic strike, who have retained their status as strikers and who have not been permanently replaced, are also eligible to vote. In addition, in an economic strike that commenced less than 12 months before the election date, employees engaged in such

strike who have retained their status as strikers but who have been permanently replaced, as well as their replacements, are eligible to vote. Unit employees in the military services of the United States may vote if they appear in person at the polls.

Ineligible to vote are (1) employees who have quit or been discharged for cause since the designated payroll period; (2) striking employees who have been discharged for cause since the strike began and who have not been rehired or reinstated before the election date; and (3) employees who are engaged in an economic strike that began more than 12 months before the election date and who have been permanently replaced.

C. Voter List

As required by Section 102.67(l) of the Board's Rules and Regulations, the Employer must provide the Regional Director and parties named in this decision a list of the full names, work locations, shifts, job classifications, and contact information (including home addresses, available personal email addresses, and available home and personal cell telephone numbers) of all eligible voters.

To be timely filed and served, the list must be *received* by the regional director and the parties by **August 14, 2020**. The list must be accompanied by a certificate of service showing service on all parties. **The Region will no longer serve the voter list.**

Unless the Employer certifies that it does not possess the capacity to produce the list in the required form, the list must be provided in a table in a Microsoft Word file (.doc or docx) or a file that is compatible with Microsoft Word (.doc or docx). The first column of the list must begin with each employee's last name and the list must be alphabetized (overall or by department) by last name. Because the list will be used during the election, the font size of the list must be the equivalent of Times New Roman 10 or larger. That font does not need to be used but the font must be that size or larger. A sample, optional form for the list is provided on the NLRB website at www.nlr.gov/what-we-do/conduct-elections/representation-case-rules-effective-april-14-2015.

When feasible, the list shall be filed electronically with the Region and served electronically on the other parties named in this decision. The list may be electronically filed with the Region by using the E-filing system on the Agency's website at www.nlr.gov. Once the website is accessed, click on **E-File Documents**, enter the NLRB Case Number, and follow the detailed instructions.

Failure to comply with the above requirements will be grounds for setting aside the election whenever proper and timely objections are filed. However, the Employer may not object to the failure to file or serve the list within the specified time or in the proper format if it is responsible for the failure.

No party shall use the voter list for purposes other than the representation proceeding, Board proceedings arising from it, and related matters.

D. Posting of Notices of Election

Pursuant to Section 102.67(k) of the Board's Rules, the Employer must post copies of the Notice of Election accompanying this Decision in conspicuous places, including all places where notices to employees in the unit found appropriate are customarily posted. The Notice must be posted so all pages of the Notice are simultaneously visible. In addition, if the Employer customarily communicates electronically with some or all of the employees in the unit found appropriate, the Employer must also distribute the Notice of Election electronically to those employees. The Employer must post copies of the Notice at least 3 full working days prior to 12:01 a.m. of the day of the election and copies must remain posted until the end of the election. For purposes of posting, working day means an entire 24-hour period excluding Saturdays, Sundays, and holidays. However, a party shall be estopped from objecting to the non-posting of notices if it is responsible for the non-posting, and likewise shall be estopped from objecting to the non-distribution of notices if it is responsible for the non-distribution. Failure to follow the posting requirements set forth above will be grounds for setting aside the election if proper and timely objections are filed.

RIGHT TO REQUEST REVIEW

Pursuant to Section 102.67 of the Board's Rules and Regulations, a request for review may be filed with the Board at any time following the issuance of this Decision until 10 business days after a final disposition of the proceeding by the Regional Director. Accordingly, a party is not precluded from filing a request for review of this decision after the election on the grounds that it did not file a request for review of this Decision prior to the election. The request for review must conform to the requirements of Section 102.67 of the Board's Rules and Regulations.

A request for review may be E-Filed through the Agency's website but may not be filed by facsimile. To E-File the request for review, go to www.nlr.gov, select E-File Documents, enter the NLRB Case Number, and follow the detailed instructions.³ A party filing a request for review must serve a copy of the request on the other parties and file a copy with the Regional Director. A certificate of service must be filed with the Board together with the request for review.

Although neither the filing of a request for review nor the Board's granting a request for review will stay the election in this matter unless specifically ordered by the Board, all ballots will be impounded where a request for review of a pre-election decision and direction of election is filed within 10 business days after issuance of the decision, if the Board has not already ruled on the request and therefore the issue under review remains unresolved. Nonetheless, parties

³ On October 21, 2019, the General Counsel issued GC Memorandum 20-01, informing the public that Section 102.5(c) of the Board's Rules and Regulations mandates the use of the E-filing system for the submission of documents by parties in connection with the unfair labor practice or representation cases processed in Regional offices. The E-Filing requirement went into immediate effect on October 21, 2019, and the 90-day grace period that was put into place expired on January 21, 2020. Parties who do not have necessary access to the Agency's E-Filing system may provide a statement explaining the circumstances, or why requiring them to E-File would impose an undue burden.

retain the right to file a request for review at any subsequent time until 10 business days following final disposition of the proceeding, but without automatic impoundment of ballots.

Dated at Chicago, Illinois this 12th day of August 2020.
